like match the supplement to what happened

By Rachel

I think that the book is wayyyyyyyyy too long. I mean I was going to have my friends little son read it but he kept getting board and asking his mom why he was not as perfect as the little boy. Maybe if the supplements became a game, like match what the boy should say to what happened...that would be better for kids. Or show a normal Muslim child who sometimes struggles with memorizing every supplement and prayer.

Great Kids' Book About Islam

By Ethan M.

As someone converting to Judaism, I got this book to better understand my brother religion with whom we are sometimes at odds. It is a great book and very informative and would be great for a child of any faith to learn more about Islam... or a curious adult who likes kids books.
