" 5 stars. I thought the book was funny and inspiring. It shows that big girls can also get a chance, and that they're beautiful just like any other book. The only thing I didn't like was Chris' stupidity to think that Callie was a guy!"-Katlho

" 4 stars. It was such a cute story! I still can't believe how Chris couldn't see that Callie was a girl. I mean even if her hair was cut short like a guy's haircut, you can still see her feminine features on her face damnit! Still, such a cute story." -Jenny

"3.5 stars! Great read! Thoroughly enjoyed it." -Lovingkiwi

I really shouldn't like this but I do

By CeeJonz

Laughing at myself but this was a goofy ending to a ridiculous tale, but it was sweet and endearing. I was hooked at book one and eagerly read each installment. I really loved Cal and Chris together. and Abel and Mz. Ivory were a hoot.

One thing that had me cracking up was the mention of "coy" fish....

Seriously? However that mistake just seemed so appropriate too. I have no shame.

Loved this series!!!

By Minnielene Blue

I can't believe that Chris didn't know that Callie was a woman! But, what I really wished for and did not get was that this author didn't add an epilogue. The ending left me a little unsatisfied. I wanted them to get married and have one of those grandbabies Chris's mom wanted. :) Great book!
