# CATALYST (INSIGNIA) (SPANISH EDITION) BY S. J. KINCAID PDF

Esta emocionante y explosiva conclusión de la trilogía Insignia, lleva a Tom y a sus amigos por caminos extremadamente peligrosos en un presente imposible de haber imaginado: Luego de las vacaciones, Tom Raines y sus amigos están ansiosos por regresar a la Aguja Pentagonal para continuar el entrenamiento como combatientes de nivel Superior en las Fuerzas Intrasolares. Sin embargo, pronto descubren cambios importantes: hay nuevas y estrictas reglas controladas por agentes del gobierno y ahora todos los cadetes son considerados reclutas. Lo que comienza por ser solo una molesta modificación en la política de la Aguja, pronto se revela como un peligroso cambio en la realidad. Los altos mandos están aliados a los objetivos de las grandes corporaciones y a sus despiadados procedimientos. Además, los novatos que ingresan a la Aguja tienen incorporados en sus cerebros neuroprocesadores con una nueva y sospechosa tecnología. Por otra parte, surge una misteriosa figura –autoproclamada “el fantasma en la máquina”– que lucha contra los ejecutivos de la Coalición con métodos impactantes incluso para Tom (el verdadero fantasma). Ahora nuestro protagonista tendrá que decidir de qué lado está, e incluso si siquiera vale la pena luchar en un escenario donde las probabilidades de éxito son tan escasas.

Really nice

By Polet

I like the way the story ends to overcome the bad feeling and being able as humanuty to find a better way ro solve problems
