Review

A fantastic book... wonderful insight into the Scriptures. ~ Ian Upton, Sydney, Australia In this classic book, we are shown the breadth of impact of Christ... The Bible stands as a whole, a planned, inspired and flawless whole with a constant thread of God's rescue plan for mankind, rather than a disparate mosaic of books on unconnected issues. ~ Edwin Cross, London

STOP!! Save your money!! This is NOT the edition you want!!

By Philip Smartt

I should have known there would be problem's when the author's name has been misspelled (Hodgkin not Hodgins). This is a scan and text conversion of the second edition. There are MANY errors and the page layout is lost so it is difficult to follow at times.

This book is in my top 10 Christian books of all time.

By David W. Hooper

I have a third edition, 1909 version handed down to me from my grandparents, and I can use it in my preaching today! It remains fresh after 100 years! It points out the Christlikeness of bible characters like Boaz, Joseph and others. It also covers similarities between old practices as Jesus' life.

The perfect book for seeing the prophecies of our Messiah and ...

By Flora O'Sullivan

The perfect book for seeing the prophecies of our Messiah and Saviour Yeshua in the Old Testament come to fulfillment in the New Testament! An eye-opener for the Jewish community who have the courage to read the end of the story that begins in "their" Scriptures.
