Exceptional Book

By del

Bruce Berg does it again. Another exceptional book that anyone interested in the subject must have. This book features many design characteristics that make it easy and even fun to read. No matter what book you currently count on for Criminal Investigation, if you don't have this text in your library, you are lacking the finest text on the subject.

Great Book, Great Professor. A Must for ANY Law Enforcement Personnel

By The FED Reviewer

I purchased this book in supplement to Dr. Berg's Criminal Investigation Class at Cal State Long Beach. The book covers most if not all topics on crime scene and related investigations. I apply much of what I learned from this book and Dr. Berg in latent print techniques on a weekly basis. A must for any law enforcement official.

My Book

By Sandra

I ordered my book and it was such a great price. I bought it used thinking it will have a few highlighted pages. It will looked semi- used. It arrived in a timely manner and to my surprise it looked brand new. I am now a few weeks into my semester and I am extremely happy with my purchase.
