Awesome resource for interactive economics lessons!  
By jilllikespink

This booklet has 14 very well developed and easy to understand lessons that really bring economics to life for the students. These activities are fun and cause students to be interested in what they are learning.

0 of 0 people found the following review helpful.

Great Activities

By Niclas Svensson

The book provides great activities with clear lesson plans. It is easy to find the right activity for the standards you are teaching, and it includes some brief information about the topics.

7 of 7 people found the following review helpful.

NCEE does it again

By Stephanie L. Poynor

NCEE publishes great lesson plan books, check out the others. I actually used the market supply and demand with my middle school kids. (with some adaptation.) They loved it! Great hands on activities in an idiot proof lesson plan format.
