There are always wonderful books to read there

By smartinad

I first read this book in the waiting room at my massage therapist. There are always wonderful books to read there, but this is the first one that touched me enough that I not only purchased it for myself, but bought 8 additional ones to give as gifts! Such a calming and uplifting book! I keep it by my bedside and read thoughts every morning as a wonderful start to my day.

Beautiful quotes and pictures on each page, with literal gentle reminders to bring anyone young or old, into the present moment and into their bodies to feel grounded and aligned with themselves as humans. I have posted screenshots of this book with credit to the author and the title and have gotten so many people interested in purchasing the book. Will be purchasing more in the future to gift to people.
