Really cool. My favorite page is the water park page

By ollie553

Really cool. My favorite page is the water park page. It shows such awesome slides, like Veruckt, which is the tallest slide in the world, at 153 meters. I also very much liked the engineering page, which included a very tall wall made of books. I also find it epic that they interviewed Chris Hatfield; I read that part a couple of times. Thanks, guys.
