So Much More Than Just a Book!

By D. Lewis

This is truly an amazing piece of work! When I first heard about it I thought it was a book about the Christmas story that also contained some suggestions about how to put on a Christmas pageant. I decided to get it because I thought reading it with my family would be a nice addition to the other activities we do around the Christmas season.

Wow, was I ever pleasantly surprised! Actually I was blown away! Ms. Hanseen's Holy Stable is a complete Christmas pageant creation system in a box. Not only does she provide a well written and engaging version of the Christmas miracle, she also gives you everything you need to create your own production. The other thing I love about this work is that it is so well thought out and organized. There is professionally recorded music and excellent narration, all categorized so you can easily find what you need. You can read it, listen to it, create a narrated pageant, or do your own narration using the incredible music as background.

Weather you're creating a full blown production for your community or just having some Christmas fun with your family, you'll find what you need with Holy Stable. This is so much more than just a book. I can't wait to see what she comes up with next!

Beautifully Done!

By JB, Utah

Just received my copy of Holy Stable today. This is more than just a Christmas "play"! It has everything an actual pageant has - the music and narration are beyond my expectations! This is going to be the perfect highlight to our Christmas season! It will be wonderful to even just listen to it in the car.

I highly recommend this for anyone looking to do a professional Christmas play with the greatest of ease. I have been in charge of putting on a Christmas program for the past several years. I am so excited about Holy Stable! It is going to take minimal effort to put on a play that is absolutely beautiful. I got this for a family gathering, but our church group will also be pleased to see how easy this is going to be to perform. It will bring a special feeling to our Christmas celebration!

Now we know the sound of heaven's harps! This collection tells the story of baby Jesus in a thought provoking and engaging way, giving insight to the loving and tender care from Joseph and Mary. We really enjoyed the original music that conveys peace and tranquility. We are buying many of these to give as Christmas gifts. Perfect for young and old, Holy Stable is truly a masterpiece.
