About the Author

With over a million books in print, Julia Cook, a former school counsellor, never dreamed she could evolve into an award-winning children's book author. Several years ago, Julia was searching for an effective story to teach children the difference between tattling and telling. When she couldn't find the right resource, she decided to write her own book, *Tattle Tongue*. Fast forward several years and she has more than 50 published books and activity guides. Julia takes top research and creativity and translates it into "kid language" that is both entertaining and engaging. Her light, humorous approach keeps kids laughing while they're learning good behaviour skills. The goal behind all of Julia's books and efforts is to actively involve people into her fun and creative stories and teach them to become life-long problem solvers.

It's confusing for children to understand why we tell them to be honest or to speak up in one setting, then tell them to keep their thoughts to themselves in another.

Author Julia Cook worked with expert Jill Kuzma to identify unique ways to practice using your social filter. More than 20 activities designed to help students visualize what a social filter is, and then practice using their social filters in a safe setting. Reproducible activity sheets included on the enclosed CD.
