## About the Author

Matthew Waterhouse was born on October the second, 1972, due to a spirited New Year's Eve party in Toronto nine months earlier. Raised in a loving environment which included lots of books and animals, he went off to university where he spent most of his time daydreaming in the library and playing with his neighbors' cat. After a short stint as a circus strongman, his friends got him a job teaching English in South Korea and the rest, as they say, is history.

The author now lives in the Rocky Mountains outside of Calgary, where he helps his wife manage a rehabilitation center for criminally inclined black bear cubs. He teaches elementary school and writes whenever the muse makes him. When he's not in the land of the maple-flavored munchies he can be found on his parents' wombat farm in eastern Australia, where he manages to consume vast amounts of imported cheese and avoid any form of manual labor.

Everything you ever wanted to know about teaching English in South Korea but were afraid to ask is contained within this book.

Funny, fact filled and always informative, Konglish provides the necessary knowledge you need to make the right decisions. Jam packed with practical information, Konglish addresses all of the topics and taboos a prospective English teacher needs to know, from finding the right job and negotiating a favorable contract to individual chapters dedicated to the specific learning needs of different students.

While other books focus solely on educational concerns, Konglish explores life outside of the classroom, providing you with an in-depth and often hilarious guide to Korean culture. Food, friendship, drinking, dating, religion, health and history are just some of the subjects discussed in detail. Konglish also goes where others fear to tread, exploring the underbelly of the Hermit Kingdom.

Last but not least, Konglish looks at the embarrassing realities of life abroad, offering realistic advice on things like culture shock, social faux pas and learning the local language. As an added bonus, you'll learn how to order dog soup, avoid squat toilets, and say no to lice-infested accommodation.

Written by Matthew Waterhouse, a qualified elementary teacher who's been through the belly of the beast, Konglish is an irreverent and insightful survival guide for anyone brave enough to try their hand at teaching English in incredible South Korea.

A well-informed and hilarious guide to teaching in South Korea

By Cuchulain

Since I am about to go teach in South Korea in a month, I've been looking for resources to prepare me. Konglish covers a prodigious amount of topics relating to ESL/TEFL in Korea, topics such as: What to pack, how to handle kids of various ages (though this is more comical than serious), some history of Korea, how to adapt to Korean culture, food, where to travel, etc. But while it is very long and seems to cover a lot, there is not as much practical advice. Not as much as I would have liked. And there is too little advice for dealing with teachers, teaching strategies, specific details about finances, utilities, etc. For as much as there is here, this book is by no means an "Ultimate" guide.

I also strongly recommend Practical Advice for Teaching English and Living in Korea.

Funny and rich in content

By Lior\_g

I was visiting South Korea and bought this book to provide me some background. It was a great decision as this book gave me the ins and outs of the rich (and so different) Korean culture. It definitely enriched my experience and I would recommend it to everyone wishing to learn on this amazing country.

Insightful and a lot of fun!

By Mike

This is a very well written and humorous book into the life and culture of Korea. Any persons looking at teaching or living in Korea should read this book as it may save you a lot of embarrassing moments or confusion. It will also serve to help reduce the amount of inappropriate, disrespectful and naive behavior carried out by foreigners in a culture such as this one.

The author had me laughing out loud in many parts of the book and reminded me of how fun reading can be, so thank you!

He covers pretty much every aspect that you can think of in regards to living and teaching in Korea.

Very insightful chapters into the religious and historical background of the country providing the reader with a greater understanding as to how and why things are the way they are.

Highly recommended!
