It is a thing that will alter your life to life a lot better. It is the thing that will offer you lots of points worldwide and this cosmos, in the real life as well as right here after. As exactly what will be offered by this Led Zeppelin: Concert Documentary By Dave Lewis, Simon Pallett, David Lewis, exactly how can you haggle with the important things that has several perks for you?

## **Review**

Between 1968 and 1980 Led Zeppelin performed over 500 concerts in every corner of the world, establishing themselves as the most popular live rock attraction of their era. Led Zeppelin: The Concert File explores in detail the in-concert history of one of the most successful and popular bands of all time. Every known Led Zeppelin concert ever played is logged, together with set lists, first-hand interviews and group anecdotes. Led Zeppelin: The Concert File tells the story of how the group development from one-night pub stands at the Fishmongers Arms in London to record-breaking massive stadium appearances. Led Zeppelin: The Concert File is further enhanced with full appendices of the solo careers of the ex-members. -- Midwest Book Review

Bootleggers Dream

By Jc.

For anyone who has a modist size Zeppelin collection of live recordings this book is a must, It has an incredible breakdown of hundreds of shows including track lists and commentary on the play quality as well as remarks on Robert Plants witty comentary between songs. I found myself going back and listening to many of my bootlegs to see how the author's opinion of concerts compared to mine. It was also nice because It helped straighten out some of the songs from the compelation discs I have, correcting the perpatraitors generally incorrect slipsheets and liner notes.

All you need to know about the BEST live Rock-n-Roll band

By A Customer

Dave Lewis and Simon Pallett have provided readers with a treasure: a look at every known live performance of the world's greatest rock band, Led Zeppelin. The book is full of reports of what, where, and when the band played, how good the concert was, concert facts, and many samples of the wisdom of Robert Plant. They even recommend the best bootlegs, perfect for us die-hard Zepp fans. The authors also include innumerable concert photos, many of which don't appear in other books. Any Zeppelin collection is incomplete without this book.

Excellent and detailed history :setlists, photos, and more.

By Dalesteraz@hotmail.com

This book is a dream come true for any Zep fan. The set lists and descriptions of every Led Zeppelin performance are great. If you are not sure exactly when or where you saw that Zep concert, this book has the information you need. Loads of pictures of the band, venue posters, backstage passes and more. Looks great on the coffee table too.
