The Ringmaster's Secret

Kidnapping, burglars, injuries and puzzles. If you like mystery stories, you'll love Nancy Drew The Ringmaster's Secret. It's about three friends trying to help out a trapeze girl named Lolita. Lolita was kidnapped and raised by a grumpy man named Kroon. When she found out she was kidnapped, Kroon would

not let her escape. Everyone was afraid of him because of his violence. Finally Nancy and her freinds agreed to help her. She did not know at the time that she was not only putting her self in danger, but her friends too. One incident was when Nancy and George were tied up and put on a train headed toward Canada. Another one was when Nancy was stangedled with a black rope. Kroon knew they were on to him. So he kept planning plots to get them off his track. No matter how bad it was. But Nancy drew out smarted him by contacting Lolita's real parents. Her father was dead, but her mother was still alive. Her name was Lola Flanders. Nancy also contacted the police and told them to meet her there the same time Lola Flanders would. When everyone arrived, Kroon made a run for it. Into the woods he went. Nancy ran after him on a horse named star. She would do trick riding bare back on him. That's when one of Kroon's friends threw a rock, hit her in the head and Knocked her unconscious. Anyways, as Nancy dashed through the forest, the police made a road block on the other side. To find out what happens, read the book The Ringmaster's Secret. Trust me, the ending is really well fitted. I really liked the book because mystery stories are my thing. Also, I love it when I am kept on the egde of my seat. You never know whats going to happen next. And when you get to a really suspensful part, you can't stop reading. I think the Author did a great job of writting the book. She must have really been into mystery stories too, or she wouldn't of written it. If I were to grow up and be a writer, these would be the exact kind of books I would write. Mystery stories. I don't like those other books. I Like the mushy love stuff. Or an every day life. I could'nt handle it.
