OLD WICKED SONGS BY JON MARANS PDF

From Wikipedia: Old Wicked Songs is a two character play written by Jon Marans whose work received a nomination for the 1996 Pulitzer Prize in Drama. Other works by Marans include A Strange and Separate People, Jumping for Joy, Legacy of the Dragonslayers and the musical Irrationals, (music by Edward Thomas). Old Wicked Songs was first produced by Walnut Street Theatre in Philadelphia. It was later produced in New York city and by Daryl Roth and Jeffrey Ash with The Barrow Group at the Promenade Theatre on August 16, 1996. Marans' play was later produced in England at the Bristol Old Vic and was later moved to the Gielgud Theatre in London's West End. Between March 31 and May 10, 2008, it was produced at its venue city, in Vienna's English theatre in Austria.

Amazing play

By Timothy Anderson

Inexpensive to produce. Two fully realized characters, one set. The effect on the audience is electric; the effect on the performers even more so. Buy it. Read it. Produce it.

3 of 3 people found the following review helpful.

Phenomenal book from a very insightful and gifted author!

By A Customer

This is one of the best books/plays I have ever read. The author has great ability to take a tremendously painful subject, treat it with the respect it deserves, and show how his two vastly different characters can educate each other and learn from each other in many difficult but tender moments. The ribbons of circumstance, personalities, experiences, pain, talent, and, in the end, joy, flow through the story and finally come to parallel placements using Robert Schumann's composition, Dichterliebe, to gently weave through it and eventually pull it all together. Marans has given his two characters a good sense of humor to help cushion the pain. I learn something different each time I read through this book or even parts of it. I am a better, more empathetic person for reading this book and seeing the play.

4 of 4 people found the following review helpful.

Deep, believable, moving, amazing, and great!

By A Customer

I've seen the play twice and read the book. What a beauty! I've never seen a play before that took so little time for exposition or that gave us the necessary facts in such a natural way. The characters were interesting and their interaction was fascinating. Anyone who has ever been part of a superb teacher-student combination will adore this play. I felt I'd been waiting for it for years.
