About the Author

ROBERT M. WILLIAMS, M.A.? corpshaman@per-k.com corpshaman@psych-k.com www.per-k.com www.psych-k.com Robert M. Williams holds a Masters Degree in Counseling and Personnel Services from the University of Colorado. He is Chief Executive Officer of The Myrddin Corporation, and is the founder of the PER-K Centre for Sustainable Success, as well as the PSYCH-K Centre International. He is the author of PSYCH-K The Missing Piece/Peace in Your Life, and, co-presenter with Dr. Bruce H. Lipton, on the popular DVD, The Biology of Perception The Psychology of Change. Rob has co-authored peer reviewed research articles with colleague, and neuroscientist, Dr. Jeffrey L. Fannin. The research focuses on the creation and application of what is referred to as the Whole-Brain State, the most common brainwave pattern resulting from the use of both PSYCH-K and PER-K. This state of consciousness is associated with higher states of functioning in the areas of creative problem solving, and opportunity leveraging. These skills are a key to success in both our personal and professional lives. For 14 years Rob was a direct participant in the corporate world, holding management positions in the backpacking, energy management, and telecommunications industries. His commitment to helping people lead more productive lives led him to seek a career as a professional psychotherapist. Ironically, it was his successful experience as a therapist that eventually led him back to the corporate arena. His unique discoveries about human consciousness convinced him that there were simpler, more effective ways to manage our minds and direct our lives, mentally, emotionally, physically and spiritually. Rob s "high tech/high touch" background has enabled him

to provide a powerful and practical, "real world" orientation to his training programs and presentations. Rob is a nationally known presenter, specializing in personal and professional development. He is the originator of PER-K and PSYCH-K , both are proprietary, non-invasive, interactive processes for changing self-limiting subconscious beliefs. Since the creation of PER-K and PSYCH-K in 1988, numerous businesses and thousands of people have benefited from this remarkable process, both personally and professionally. Both PER-K and PSYCH-K are taught worldwide, by Certified Instructors.
