Fun exciting series for girls

By Tadkinsthib

This series has inspired my daughter to read . . . for fun. The school has always imposed reading a certain number of minutes per day which has made my kids susceptible to watching the clock. This series broke that barrier. My daughter always recants these stories to me as she reads them. They are fun and they have a little

bit of mystery and teach good values too.

By L. Shumpes

My young daughter and I enjoy reading these books together. They are meant to be read in order, which I recommend. Scarlette is far and away our favorite and her story is fabulous. Looking forward to reading the new books when they are released too.
