THE CINDERELLA PRINCESS (ROYAL HOLIDAY) (VOLUME 1) BY MELISSA MCCLONE PDF

Thanks to a philandering father, ad exec Emily Rodgers knows happily ever after doesn't exist. Relying on a man only leads to heartache. She takes care of herself, and work defines her life. But Emily soon finds herself in the hands of a real-life prince who defines the words charming and sexy. Not to mention reckless. If Prince Lucas doesn't find a royal bride, Emily's dream of being named a partner at the advertising firm will die.

Luc's fun-loving ways have made him a magnet for scandal. His father gives Luc an ultimatum—find a wife on a reality TV show or be disowned. Rules require him to marry nobility, but after he meets the uptight American sent to find him find a princess bride, his search for Cinderella might be over. Too bad Emily wants nothing to do with him. Perhaps he can show her that fairytale endings can happen in real life...

Not my cup of tea

By Janice

Amazon recommended this book to me for months based on my other reading choices. I finally caved and decided to read it because it was being suggested again and again by Amazon as a book I would like. I read the book in less than 3 hours (yes I'm a fast reader). Personally I think Amazon let me down here. The book was a fairly overused plot line. I didn't connect with the characters and I couldn't find myself charmed by the storyline (yes I know this type of novel typically has an overused plot line but this one was very overused). I was bothered by a few typos throughout the book too. I'm sorry to say I would not recommend this book to anyone. I have not read anything else by Melissa McClone so I do not know if this book is reflective of her normal work or not.

The Cinderella Princess (Royal Holiday Book 1)

By Nana

A very cute story, with an American girl named Emily, who meets Luc a prince. Emily has a job to do, find a princess willing to marry Luc, but as these stories go she falls in love with Luc while trying to find him his own princess to marry. So it is a happily ever after with glass slipper and a carriage ride.

Just wasn't impressed.

By Amazon Customer

Just wasn't impressed. There isn't much of a story line and the ending is just quick and stale. Absolutely no desire to read more from this author and was further disappointed when this was part of a "series" where the other stories don't appear to have anything to do with each other.
