AN ENGLISH WOMAN TAKES ON PARENTHOOD, THE MAFIA AND A SICILIAN MOTHER-IN-LAW, ALL AT ONCE. When career-girl Veronica flies to Sicily for a friend's wedding, she accidentally falls in love with one of the groom's three-hundred cousins. A year later she has given up her job, house and friends, and is planning her own wedding with her Latin Lover in the shimmering heat of Sicily. She suspects her seaside dream-villa is being built by the Mafia when the stubbly foreman visits, brandishing a large hammer and demanding more money. In shock, she learns her Sicilian spleen-sandwich and prickly-pear cravings are because she is pregnant. Still reeling, Veronica is challenged to a duel fought with wooden spoons over who is the better woman, when her rosary-flailing mother-in-law starts checking her son's vests are ironed and inspecting the toilet bowl for subtle skidmarks. Can resourceful Veronica solve her problems by pitching one adversary against the other? Join her on an unpredictable journey of hilarity, reckless driving and dangerously large portions of spaghetti in this almost true travel-novel, for people who need more belly-laughs.

An amazing journey!

By Rochelle Del Borrello

I have been following Veronica Di Grigoli's blog for a few years now, (<http://siciliangodmother.com/>) laughing along at the Sicilian Housewife's trials, struggles and confusion associated with day to day life in Sicily as an expat.

Now the blog has become a wonderfully polished and hilarious laugh-out-loud-belly-laughing book and I

cannot resist expressing my absolute delight! The Dangerously truthful diary of a Sicilian Housewife is set under the biting heat of the Sicilian sun and sirocco, deep in small town Sicily, far away from anything you can ever imagine.

Veronica Di Grigoli falls in love with a Sicilian, which draws her and her fantastic sense of humor into the complex world of Sicily, which certainly isn't Tuscany.

The Sicilian housewife generously and honestly shares her personal history about how she ended up moving from high flying London to a Sicilian village and it's one hell of a journey!

Hysterical, must reading!!! Humor and history all rolled into one!!!

By jwalcott

I have been an avid follower of Veronica Di Grigoli's Wordpress blog for a couple of years, and I look forward to her every post. When we were planning a trip to Sicily last year I nearly canceled after reading her description of driving in that country! Yes it was exaggerated to say the least, but it made us doubly alert. My husband was nearly apoplectic by the time the trip was over despite the fact that we loved Sicily!! Her writing is colorful, full of ironic self deprecating humor, and of course comical exaggerations of nearly everything. You will belly laugh out loud, so you should not read this book in public, at the risk of being viewed dangerously unhinged. She is a gifted writer and I recommend this book to everyone whether or not they are interested in Sicily or Italy. It is a treasure!!

More than I expected!

By MG

Yes, this is a very humorous book, but it does not stop there. The Dangerously Truthful Diary of a Sicilian Housewife provides some real insights into life in Sicily, as well as some handy travel tips. It's really a fun read- my husband keeps stealing it from me, so I have one chapter left. If you have been to Sicily, dream of traveling to Sicily, or maybe you are just a Sicilianophile (that may not be a real word) you will enjoy reading this book!
