THE FIVE PEOPLE YOU MEET IN HEAVEN: LEVEL 5 (PEARSON ENGLISH GRADED READERS) BY MITCH ALBOM PDF

THE FIVE PEOPLE YOU MEET IN HEAVEN addresses the meaning of life, and life after death, in the poignant way that made TUESDAYS WITH MORRIE. An elderly amusement park maintenance worker named Eddie who, while operating a ride called the 'Free Fall', dies while trying to save a young girl who gets in the way of a falling cart that hurtles to earth. Eddie goes to heaven, where he meets five people who were unexpectedly instrumental in some way in his life. While each guide takes him through heaven, Eddie learns a little bit more about what his time on earth meant, what he was supposed to have learned, and what his true purpose on earth was. Throughout there are dramatic flashbacks where we see scenes from his troubled childhood, and with his first and only love, his wife Marguerite.

Good Book!

By Louie Morsy

I thought it was really good, but I would not read it again. The book is centered around an old man named Eddie who passes away at the beginning of the story. Eddie goes to heaven and there he meets with five different people. These people are all connected to him in different ways, some of them he knows and some of them he has never met before. The author Mitch Albom has given us an interesting perspective on what may happen once we die and this story has made me consider certain aspects in life more deeply. Looking back at the book I don't really share many connections with the people in the story, but I definitely recommend it to those who are interested as I believe this is a good read!

like this one

Some books, like this one, do not need a review. They need/ you need - to read it. That's all. What a magnificent way to show us all that we are all connected, whether we are aware of it or not. We impact each other directly even if we only hear about it when we are in Heaven. Knowing about it in real time means that you have evolved beyond the restraints of ordinary humans. Good for you!!! Being simple is rather helpful in listening to all the insights that are likely to flood you while reading. No spoilers: I promise. Just buy a book and read it. Now. This minute.

This book did a nice job of comforting me

By kaci

I wanted to read a book about death after losing my father. This book did a nice job of comforting me, which is what I was hoping for. It's pretty cliché and doesn't offer a deep meaning into death, but it was a nice read. I would probably recommend this to someone who has experienced a loss in hopes of providing some comfort.
