Nothing short of phenomenal

By aurai

An incredible documentary, rich pictorial material with a large number of little known facts. It was amazing to learn that Lev Tolstoi and Alexii 1 of Russia both went to Lazarian gymnasium in Moscow, and that Napoleon stayed at armenian quarters when visiting Venice. A must have for anyone who is trying to understand better the complex and well hidden armenian history. A wonderful execution too, a great gift to give to armenian and non-armenian friends alike.

Thank you to the author for a painstaking, arduous work.
