They were the most unlikely heroes. Four people had no status, no resources, and only a faint ray of hope that something good could happen to them, but they found the courage to take a step into the dark, into the desert, and into a destiny they never dreamed possible. The Lepers Lessons is an ancient story that remains relevant today. The five questions they inherently asked and they invite us to ask clarify our motives, give us direction, and fill us with hope that our lives can make a difference. Kevin Scott and Paulus Wiratno come from different continents, different cultures, and different perspectives, but together, they give us a rich, deep grasp of our true purpose.

Lepers' Lessons ability to meet us wherever we are!

By Shelby Ausband

As a 24 year old, who moved to Guatemala for a year directly after college graduation, the quest to find, proclaim and be confident of my specific purpose as been nothing short of difficult! Lepers' Lessons had met me in the middle of that "quarter-life crisis" while leaving room for the Lord and His guidance. Lepers'

Lessons has challenged me to not only seek purpose by asking the 5 questions but to seek purpose while being confident that the God of the Universe has already WRITTEN my purpose. This book is PERFECT for ALL ages and EVERY stage of life!

Must read!

By Ginger Howard

This is an amazing book written by two men who have found their purpose and are living it out!

We all get caught up in our day to day routines, and sometimes forget the bigger picture. We each have a God-given purpose and plan!

Read this book to help you discover yours or renew your God-given purpose and plan!
